

TOP BEAM CLAMPS and C-CLAMPS

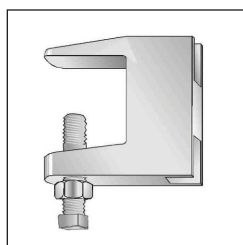

100 Series and 200 Series

Globe Pipe Hanger Products, Inc. has the most comprehensive selection of Beam Clamps in the industry. Many of our available clamps are UL listed and FM approved for top or bottom beams ranging from 3/8" through 7/8" rod sizes.

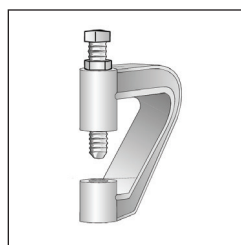

Globe also offers the largest range of C-Clamp options available from a single manufacturer. We stock domestically produced and imported C-Clamps ranging from 3/8" to 7/8".
